

Legally Non-Licensed Providers

Are you watching children so their parents/guardians can work?

Legally Non-Licensed Providers through the Leech Lake Child Care services are people who provide child care to only "related" children and/or to children from one family that is unrelated to them.

"Related" means any of the following relationships by marriage, blood, or adoption: grandparent, brother, sister, stepparent, stepsister, stepbrother, uncle, aunt, niece, and nephew. Related also includes a legally appointed guardian.
